

# SIREN

## Captain – Thomas Graham

### Scottish

#### Previous Yachts:

M/Y BACARELLA (60m)  
M/Y SENSES (57m)  
M/Y BIG CHANGE (40m)  
M/Y NONI (30m)  
M/Y KATRION (48m)  
M/Y MAALANA (47.6m)  
M/Y MAALANA STAR (36m)  
M/Y LA VANETIA (38m)  
M/Y SMOOTH OPERATORS (36m)  
M/Y BLUE ALBACORE (32m)

#### Interests:

Sailing, rugby, golf and skiing

Tom was born in Campbeltown on the west coast of Scotland. After completing grammar school Tom joined the Royal Navy for seven and a half years and then came into yachting in 1991 where he gained his Masters 3000 license. Tom is married with no children and spends his off time between Mallorca and Germany. Tom has worked on several yachts over the years and brings a wealth of knowledge and expertise on board SIREN. This is Tom's fifth year on board SIREN and he is looking forward to taking you to beautiful places and ensuring a safe and enjoyable trip.

## First Officer – Dean Green

### Australian

#### Previous Yachts:

M/Y CORAL ISLAND (70m)  
M/Y SQUALO (40m)  
M/Y PERLA BLU (50m)  
M/Y LATITUDE (54m)

#### Interests:

Waterports, golf, football and snowboarding

Growing up on the doorstep of the Great Barrier Reef in Cairns, Australia, Dean has always had a natural affinity with the sea. Dean is an excellent swimmer having spent many years actively involved in surf lifesaving. An avid watersports enthusiast, he is proficient with all watercrafts and can happily assist you with any water sports requirements. This is Dean's ninth year working on yachts and his second year with SIREN, in that time he has travelled over 52,000 nautical miles crossing the Pacific, Atlantic and Indian oceans. Destinations include the Caribbean, Central America, South-East Asia and the Seychelles.

## Head Chef – Gordon Warne

### South African

#### Previous Yachts:

M/Y EOL B (34m)

#### Interests/Languages:

Surfing, snowboarding, diving and travelling

Afrikaans

Gordon is a young enthusiastic chef with an eye for detail, with 10 years experience in à la carte style restaurants. He has developed many skills in menu planning, costing and kitchen management. He excels in international cuisine, combining his knowledge of classic French, British, Indian and Thai cuisine, to create his own style of cooking, fresh, vibrant and elegant dishes. He likes to get on well with people and handle stressful situations with a positive sense of humour. Gordon is looking forward to his fourth season aboard SIREN and he is looking forward to meeting new guests and experiencing new cultures. In his free time, Gordon stays true to his profession and tries different cuisines and enjoys eating out at restaurants.

## Sous Chef – Travis Finch

### South African

#### Previous Yachts:

Joined SIREN June 2015

#### Interests:

Wakeboarding and keeping fit

Born and raised in Durban, South Africa, Travis has experienced a multitude of cultures. This is Travis' first year on superyachts but he has been employed as a chef for over six years. He trained in South Africa and worked at the Greenhouse, at Cellars-Hohenort. Travis travelled India for three months and also spent some time in Thailand where he completed a course in northern Thai cuisine. Travis enjoys keeping fit and gets on the wakeboard whenever possible. Travis is thrilled to be part of the SIREN crew.

## Chief Stewardess – Anna Green

### German

#### Previous Yachts:

M/Y PERFECT PERSUASION (45m)

M/Y TATOOSH (93m)

M/Y LATITUDE (54m)

#### Interests/Languages:

Football, travelling and squash

German and English

Raised in Grenada, West Indies, Anna spent her childhood by the sea and has found a perfect field to combine her enthusiasm for travel, the ocean and hospitality on luxury yachts. After finishing a hotel management apprenticeship on the German beaches of Timmendorf, Anna turned to the superyacht industry and has since worked on high profile yachts for the last six years. Anna performs her vocation with a passion and is committed to making your stay on board memorable and a thoroughly enjoyable experience.

## 2nd Stewardess – Vicky Lentle

### British

Previous yachts:  
M/Y AMEVI (80m)

Interests:  
Ballroom dancing, diving and squash

Vicky has been on board SIREN for two years and is looking forward to her first season as a 2<sup>nd</sup> stewardess. She decided that yachting was the perfect career for her as she has a passion for travelling and meeting new people. After studying for a month at UKSA she began her yachting career on an 80m motor yacht which she spent two years working on. Before her yachting career Vicky achieved a 2:1 BSc degree in Psychology. She was also the British Under 21 champion in classical dancing along with her partner in 2005 and 2006.

## 3rd Stewardess – Olivia Ridings

### British

Previous yachts:  
Joined SIREN February 2015

Interests:  
Netball and music

This is Olivia's first year on SIREN, but she has been working on mega yachts since 2013. Olivia has worked in guest service since she was 17 and takes great care and pride in her work and making your time on SIREN unforgettable. Olivia enjoys live music and stays very active and healthy.

## Stewardess – Rebecca Stoddart

### British

Previous Yachts:  
Joined SIREN July 2015

Interests:  
Hiking and reading

This is Rebecca's first season on SIREN and she is excited to be a part of the crew. Rebecca is a trained masseuse and beautician with many years of experience. After working in finance for the last four years, Rebecca opted for a career change and joined the yachting industry.

## Stewardess – Ligaya Ricafort

### Philippian

Previous Yachts:

Joined SIREN March 2015

Interests:

Cooking and movies

This is Ligaya's first year on board SIREN although she has worked as a stewardess for the last ten years. Ligaya enjoys life at sea and has travelled to many countries, one of her favourite destinations is the South of France. In her free time Ligaya loves cooking and being with her family and loves watching a great movie.

## Stewardess – Miriam Schumacher

### New Zealand

Previous Yachts:

Joined SIREN June 2015

Interests:

Rowing and being outdoors

Miriam hails from Taranaki and spent many childhood years at the beach and on the mountains. Miriam studied law and subsequently worked in medical law for a few years. At University she won a gold medal in rowing and she uses any opportunity to get outdoors! Miriam looks forward to making your stay a memorable one.

## 2nd Officer – Ryan Collins

### British

Previous Yachts:

M/Y PRINCESS TOO (48m)

Interests:

All sports

Ryan is originally from Sheffield, where he used to fly small planes when he was younger. He has been working on boats for eight years and joined the superyacht industry five years ago, four of which were spent on the same yacht. Ryan is working towards his Masters' ticket and until then is looking forward to travelling around the world, Sweden being one of his favourite destinations on a yacht. In his free time he enjoys any sport on a board, follows most sports and is a big Liverpool and Lewis Hamilton supporter!

## Chief Engineer – Martin Rosser (Rotational)

### British

#### Previous Yachts:

M/Y TATOOSH (93m)  
M/Y ALAMSHAR (50m)  
M/Y SPUTNIK (60m)

#### Interests:

Golf , watersports and motor racing

Martin is married and has a 12 year-old son called Alexander who has a black belt in Taekwondo. He has spent over 23 years in the Merchant Navy, and the past eight years in the superyacht industry. When Martin is not on board he likes to spend his time surfing, playing golf, and spending time with his son fishing on their boat. Martin is also a motor sport fanatic and has driven racing cars on F1 tracks.

## Chief Engineer – Michael Story (Rotational)

### British

#### Previous Yachts:

M/Y COMMITMENT (40m)  
M/Y INDIAN PRINCESS (55m)  
M/Y LADY ANN MAGEE (50m)  
M/Y BLUE MOON (60m)  
M/Y SLIPSTREAM (60m)  
M/Y XANADU (60m )

#### Interests:

Sailing and hiking

Michael has nearly thirty years experience as a professional sea-going engineer. He joined the Merchant Navy in 1980 as an Engineer Cadet where he spent a total of four years at college and at sea. After graduating, Michael sailed as a “Fourth”, and eventually progressed up to Chief Engineer. On his travels he has visited virtually all corners of the globe, having passed through both the Suez and Panama Canals on a regular basis and has been round the Cape of Good Hope on a number of occasions. Michael eventually left these ‘deep sea’ boats in 2003 to join the world of super-yachting. One of his great passions is walking, and he recently made a trip to Nepal with friends to climb a 6,500m (21,500ft) peak.

## 2nd Engineer – Paul Rodriguez (Rotational)

### British

#### Previous Yachts:

M/Y SIRIUS (30m)  
M/Y LOTUS (37.5m)  
M/Y STELLA FIERA (35m)  
M/Y STELLA (42m)  
M/Y HELAITAN (26m)  
M/Y AWESOME (40m)

#### Interests:

Aeronautics, football, motocross and climbing

Paul Rodrigues hails from Chester in the north west of England. His extensive engineering background has seen him delve into various disciplines including Formula 1 racing, prestige car maintenance and aeronautics. Having previously spent six years as a aeronautical engineer with Airbus UK, Paul chose to pursue a more adventurous career whilst maintaining the engineering practices and was drawn into the yachting industry. He has served six and a half years in the industry. Paul enjoys travelling and experiencing different walks of life. He teaches and participates in many sports including football, motocross and climbing. He has an adventurous spirit and loves a challenge.

## 2nd Engineer – Matthias Kunert (Rotational)

### German

#### Previous Yachts:

M/Y WORLD IS NOT ENOUGH (42.4m)

#### Interests/Languages:

IT and automotive

German and English

Matthias was born and raised in southern Germany near Munich, where the traditional dress is the lederhosen and a dirndl for the girls. After attending high-school for three years he found out that his real skills were more hands on and began, at the age of 15, a five year Porsche-Mechanic apprenticeship. After several years of working on high performance cars he took part in a second education to become a certified IT-network administrator. With those two fields of activities there was a high demand in the yachting industry where he has served since then. Matthias follows in his grandfather's footsteps who worked in the MAN ship engine block casting facility in Augsburg.

## 3rd Engineer – Steve Green

### British

Joined SIREN June 2014

#### Interests:

Guitar, painting and sports

Steve began his career in yachting in 2009. He was born and raised in Bromley, South London, where he completed his studies in Mechanical Production Engineering. This is his second year on SIREN and he is looking forward to the upcoming challenges of working on board.

## Deckhand – Dean Alexandre

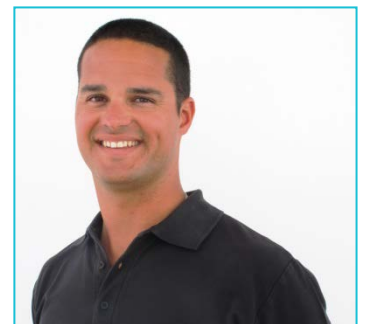

### South African

#### Previous Yachts:

M/Y MARIU (49.9m)

#### Interests:

Diving and travelling

Dean's passion for the ocean came when he was young and growing up on the coast of Durban, where he spent his time diving, surfing and boating. After many years as a dive guide in South Africa, specialising in shark dives he decided to head overseas to join the professional yachting industry. Dean relishes the opportunity to see the world by boat, meet new people and spend time on the ocean.

## Deckhand – Sam Thapa

### Nepalese

#### Previous Yachts:

M/Y LE GRAND BLEU (113m)

M/Y TALISMAN C (74m)

#### Interests/Languages:

Travelling

Indii, Nepali and English

Sam spent six years working on several high profile yachts before joining the SIREN crew in June 2008. He is industrious and hard working with a permanent smile on his face. Sam is happily married with two small children back in Nepal. He enjoys life in general, along with travelling and seeing new places and countries.

## Deckhand – Sam Room

### Scottish

Joined SIREN in June 2014

#### Interests:

Watersports

Growing up on the east coast of Scotland, Sam has been a big fan of watersports from a young age. Competing nationwide for many years Sam took his passion for watersports and used it to travel world-wide. Over the past few years he has taught windsurfing and kitesurfing, from the remote islands of Cape Verde to the vast beaches of Brazil. Sam is now in his second year aboard SIREN and is excited to share his knowledge of watersports with the guests.

## Deckhand – Evyatar Madlar

### Israeli

#### Previous Yachts:

M/Y TIMELESS (23m)

#### Interests/Languages:

Diving

French, Hebrew and English

Evya was born and raised in Israel in a small town near the Dead Sea. After finishing high school at the age of 18 he joined the Israel Defence Forces for four years of service. Following this he relocated south to the Red Sea and joined the diving industry, as a dive instructor. Evya enjoyed working within the marine world and after completing his Yachtmaster, he moved to the south of France and embarked on a career in the yachting industry. After three seasons in the Mediterranean, Evya was proud to join the crew aboard SIREN.

## Deckhand – Josh Linn

### British

#### Previous Yachts:

Joined SIREN June 2015

#### Interests/Languages:

Sports and watersports

Josh is from Plymouth, England and has spent time on boats for as long as he can remember. His father was a skipper and he accompanied him whenever possible. He lived on the Gold Coast in Australia for one year where he taught sports at a school. Josh loves all watersports and is looking forward to assisting you on the water. SIREN is Josh's first superyacht, Montenegro is one of his favourite destinations and he is excited to see new places whilst looking after the guests on board.
